## European Cup 2017 - Algund (Italy) - Log of the Competition

### Decision of the Jury (Day 3)

Weather for tomorrow is forecasted with some rain with probability between 60% and 90%.

In case of strong delay jury will be entitled to decide for round cutting.

In particular we will apply the following criteria:-

- In case we will not be able to complete the first round at about 12:30 we will cut 1 round

- In case we will not be able to complete the second round at about 16:00 the competition will finish

Flexibility on these criteria will be applied according to the relevance of the possible rain and consequently on how it is possible to play on Miniaturgolf and on Feltgolf courses.
